About This Game

Color Knight is a first person perspective action game with a unique color based combat system. You enter an open island with randomized enemies in order to destroy color crystals and earn currency - color shards. Look for items completely changing the way you play. Spend your shards on ship's upgrades, then go again on land. Every time different combat experience and enemies.

You are a color knight, entity created to protect the universe from hidden dark forces. Collect color shards from the energy crystals to power the world's engine - color heart maintaining balance.

Features

- Explore 3 different islands
- Destroy enemies in a color based combat
- Find items changing the way you play
- Every run is different, different enemies, different items
- Collect and spend color shards on your ship's upgrades
