Wilcox confesses to two murders

By Wayne Gates
The Brown County Press

Michael Wilcox has confessed to the murders of Courtney Fowler and Zach Gilkison.

"He acknowledges that he was present and involved in the death of two people," said Brown County Assistant Prosecuting Attorney Zac Corbin on April 20. "It's certainly an incriminating statement that implicates him in the involvement of two deaths."

Wilcox is alleged to have shot both victims. He is currently in the Brown County Jail on a two million dollar bond.

Fowler's body was discovered in the home on J. Bolender Road by Stephanie Wilcox, Michael Wilcox's mother. She called 911 about 6:15 on Thursday, April 16. "I just went into my sons bedroom and his girlfriend is laying there with blood everywhere...she's just crumpled into a corner...I didn't even see her. There was a blanket there and I walked past her to look outside and I saw this foot, so I moved the blanket off and

there she was," Wilcox is heard to say on the 911 call she made to the Brown County Communications Center.

Wilcox was arrested in Hamilton County after a chase through Brown, Clermont and Hamilton counties. He was first spotted by Brown County Prosecuting Attorney Investigator Buddy Coburn and his wife Vicky. Buddy Coburn said that he and his wife had just left the Wilcox home to obtain a search warrant when they saw Wilcox approaching in

BC Drug Task Force makes big heroin bust

By Wayne Gates
The Brown County Press

The Brown County Drug Task Force executed one of the largest heroin busts ever in Brown County on April 23 near Hamersville.

"It's the largest amount of heroin that we have taken in a search warrant to date," said task force member Josh Black.

Members of the Mt. Orab and Georgetown police departments and the Brown County Sheriff's Office seized almost 100 grams of heroin with a street value estimated at \$19,000.

That is almost one thousand individual doses of heroin. Three thousand dollars in cash was also seized. The warrant was signed

by Municipal Judge Joseph Worley at 3:00 a.m., with the bust taking place later that morning.

The bust took place on Highway 125 near Mobile Acres Drive. Sherry Kennedy and Willie Smith

were arrested in the home. "With the weight of heroin and the money we've got, it's safe to say that (Smith) is a major distributor," Black said. "We're definitely going

WB board chooses White as new superintendent

By Martha B. Jacob
The Brown County Press

It didn't take long for members of the Western Brown Board of Education to find a replacement for the district's retiring Superintendent Peggy McKinney, hiring Reagan White for the job effective July 1, 2015.

The decision was announced at Western Brown's April 20 board of education meeting.

White is the current superintendent of Fayetteville-

Perry Local School District, a position he accepted on August 1, 2011 on a three year contract. White was the Fayetteville-Perry High School principal for eight years before stepping into the superintendent's position.

After accepting the position at Western Brown, White said in a press release, "I am excited for this opportunity and want to thank the board of education for entrusting me with the respon-

sibility of being named the superintendent at Western Brown Local. Peggy McKinney has done an outstanding job as superintendent and has dedicated most of her professional career to this district, and I know that I certainly have big shoes to fill. With that being said, I have worked in Brown County for the past 12 years, and I am familiar with the district and feel that there are many positive things going

Josh Michael (left) will replace Mike Bick (next to him) as principal of the Sardinia Elementary School. Shown next is Eastern Middle School Principal Rob Beucier who is retiring and standing next to him is Jordan Michael who will be taking the position. Both new principals were signed on 3-year contracts.

Eastern BOE names two new principals

By Martha B. Jacob
The Brown County Press

Members of the Eastern Local School District Board of Education officially met the two new principals in the district during its April 21 meeting.

Introduced was Jordan Michael, a teacher at Eastern Middle School who will replace retiring principal Rob

Beucier and Josh Michael, assistant principal at Hamersville will take over for retiring principal of Sardinia Elementary School, Mike Bick. Both new principals were approved for three-year contracts later in the meeting.

Board treasurer Kevin Kendall told the board that the governor's proposal for school budget formula is

much different than what House Bill 64 is recommending, so it would be up in the air until at least June. "If the House's proposal is accepted, our district will be in good shape," Kendall said.

In other business at the meeting, Kendall asked the board to approve a letter of

G'town celebrates Arbor Day

By Martha B. Jacob
The Brown County Press

Arbor Day is a holiday where individuals and groups are encouraged to plant and care for trees. It is celebrated in many countries around the world. Because of the weather, the date for Arbor Day varies. On Monday, April 20, however, Georgetown celebrated Arbor Day on the Courthouse lawn.

Susan Bean, a Georgetown Council member, encouraged council to become a part of the Tree City USA Program earlier this year. Bean has been instrumental in organizing a special Tree Commission which has assumed the responsibility of making the Tree City USA Program work in the Village of Georgetown. Members of the Tree Commission include Nancy Montgomery, Dr. Todd Williams, Dr. Mike McHenry, Lucas Brown and Sue McKinley.

One of the four requirements to becoming a tree city is to celebrate Arbor Day, which has now been met. Another requirement was to create the Tree Commission which has also now been met. Two more requirements are passing a community tree ordinance and spending at least \$2 per capita on urban forestry. "We had a lot of fun on

Courtney Watson of Georgetown won the door prize, a potted miniature rose, during the April 20 Arbor Day celebration on the courthouse lawn.

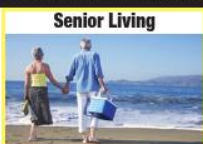

our first Arbor Day celebration," Bean said. "We feel like it was well attended and will only grow each year. We
